

Senior Directory

2008-2009 Edition

Our many partners are pleased to offer the latest Senior Directory. The Senior Directory is a comprehensive resource for finding the services to help you live a safe, healthy, and independent life.

The goal of the Directory is to raise awareness of services available and to take advantage of the services provided.

The Directory does not recommend specific service providers. Providers listed in the Directory may not necessarily include all resources in the area, nor is inclusion meant to be a recommendation or an endorsement of a particular service provider or organization.

This publication is also available at www.tri-countymhs.org, click on "Helpful Info".

Need to find counseling? A nursing home? A food pantry? Want to volunteer or donate goods? Don't waste valuable time trying to find the right resource. United Way 2-1-1 is an easy-to-remember central phone number connecting people with available community resources and volunteer opportunities. You will reach a trained, caring professional 7 days a week, 24 hours a day. All free, all confidential.
